We are delighted to announce that the College of Professional Pilots of Canada has made a donation of \$2000 to the Air Cadet League of Canada. This donation is dedicated to an Air Cadet who chooses to pursue flight school training, and we are excited to be a part of helping them achieve their dreams.

At CPPC, we believe in supporting initiatives that help young people reach their full potential. The Air Cadet program provides an excellent opportunity for young people to develop valuable skills. By supporting the Air Cadet League of Canada, we hope to make a positive impact on the lives of young people and help them build a brighter future for themselves and their communities.

We would like to express our gratitude to the Air Cadet League of Canada for the important work they do supporting young Canadians. We are honoured to be able to contribute to this organization and support its mission.
